SUPPLEMENTARY INFORMATION:

A. Purpose

The Federal Funding Accountability and Transparency Act (P.L.109-282, as amended by section 6202(a) of P.L.110-252), known as FFATA or the Transparency Act requires information disclosure of entities receiving Federal financial assistance through Federal awards such as Federal contracts, sub-contracts, grants and sub-grants, FFATA 2(a), (2), (i), (ii). Beginning October 1, 2010, the currently approved Paperwork Reduction Act submission directed compliance with the Transparency Act to report prime and first-tier sub-award data. Specifically, Federal agencies and prime awardees of grants were to ensure disclosure of executive compensation of both prime and subawardees and sub-award data pursuant to the Transparency Act. This information collection requires reporting of only the information enumerated under the Transparency Act.

B. Public Comments

Public comments are particularly invited on: Whether this collection of information is necessary for the proper performance of functions of the FFATA Subaward and Executive Compensation Reporting Requirements, whether it will have practical utility; whether our estimate of the

public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected; and ways in which we can minimize the burden of the collection of information on those who are to respond, through the use of appropriate technological collection techniques or other forms of information technology.
